2023 CATALOGUE

February

Bergenia 'Dark Damsel'

Elephant Ears 'Dark Damsel'

A beautiful compact variety with deep pink flowers in spring, held on red stems above the flushed red foliage. Low growing and suitable for shady areas, woodland planting, and containers.

Size	2L
Promo size	30

Bergenia 'Diamond Drops'

Elephant Ears 'Diamond Drops'

A lovely dwarf variety with compact flower heads of brilliant white flowers, which shimmer above the glossy deep green foliage. Low growing, evergreen and suitable for shady borders, woodland planting, perennial borders, or container gardens.

Size	2L
Promo size	30

Bergenia 'Fire and Ice'

Elephant Ears 'Fire and Ice'

A handsome, bold, architectural Bergenia, perfect for your shady spots. Pink-tinged white flowers with dark pink sepals are held in clusters above rosettes of evergreen foliage each spring. Bergenia are also known as pigsqueak because of the sound you get when you rub two leaves together.

Size	2L
Promo size	30

Buddleja Buzz Series

Butterfly Bush

Our choice of the best range of patio Buddleja. The 'Buzz Series' offers compact, well-structured plants with a contrasting colour range. Supplied to you as overwintered plants, ready for your customers to either pot up in a container or plant out in the garden.

Size	3L
Promo size	42

Products included in collection

- Buddleja Buzz Candy
- Buddleja Buzz Indigo
- Buddleja Buzz Sky Blue

Camellia japonica 'Volunteer'

Japanese Rose

This is the most impressive of Camellias and sure to be a winner with your customers. We have selected this delightful large flowered Camellia because of its amazing soft pink two tone flowers. The pink petals are edged with white, giving the impression the blooms have been dusted with a sprinkling of icing sugar. This colouration is more impressive as the flower ages. We will have very limited availability of Volunteer for 2023 so do not delay.

Size	3L
Promo size	21

Chaenomeles Collection

Flowering Quince

Deciduous spiny shrubs ideal for wall/fence cover. We have selected this range on flower colour and performance in the garden, giving your customers choice with guaranteed results. We have added Orange Trail to the range to give even more colour options.

Size	3L
Promo size	42

Products included in collection

- Chaenomeles Crimson and Gold
- Chaenomeles Geisha Girl
- Chaenomeles Jet Trail
- Chaenomeles Orange Trail
- Chaenomeles Pink Lady
- Chaenomeles Red Joy

Daphne odora X bholua 'Perfume Princess'

As the name suggests, 'Perfume Princess' provides a gorgeous scent from the pretty pale pink flowers, which adorn its stems during spring. It is a slow growing hardy evergreen shrub, which forms a neat, rounded habit. Can be planted in borders or containers.

Size	3L
Promo size	21

Edgeworthia chrysantha 'Grandiflora'

Oriental Paperbush

A fabulous selection of this choice and unusual gem. With highly fragrant yellow blooms in early spring, this variety has been selected because of its improved habit and superior performance.

Size	5L
Promo size	15

Euonymus japonicus 'Paloma Blanca'

Japanese spindle 'Paloma Blanca'

A fantastic variety with new foliage emerging pure white and aging to a deep, rich green, giving stunning contrast and impact. This truly versatile plant is compact and upright in form. It can be used as a standalone, part of mixed borders, or to form an eye-catching low hedge. An ideal alternative to *Buxus sempervirens*.

Size	3L
Promo size	21

Euonymus japonicus 'White Spire'

An upright variegated Euonymus, which is perfect for low hedges or as a specimen in a pot. This wonderful new addition to the genus retains its colours all year round, is hardy to -15oc and can be grown in all soil types. We are the only UK nursery with a licence to propagate this great plant.

Size	3L
Promo size	21

Forsythia x intermedia 'Week End'

Everyone's early season favourite. A medium deciduous shrub with bright yellow flowers in spring before the leaves appear. 'Week End' is one of the best free flowering and compact varieties.

Size	3L
Promo size	21

Helleborus niger 'Snowdrift'

Christmas Rose

The pure white flowers appear single at first but then form into double blooms. They contrast perfectly with the stunning dark, glossy foliage of this hardy evergreen perennial.

Size	3L Deep
Promo size	30

Magnolia stellata

Star Magnolia

Really beautiful white star like flowers bloom on bare stems in early spring, reaching 10cm wide from furry buds. The leaves then appear, which are rounded and narrow. A very slow growing shrub, but well worth the wait. Great for containers, beds, or borders.

Size	5L
Promo size	15

Sarcococca hookeriana Purple Gem

Christmas Box

A real winter gem with long elegant shiny leaves against beautiful deep purple stems. Flowering from February to April with sweet scented flowers that are attractive to hungry over wintered bees. Ideal for sun or shady areas.

Size	2L
Promo size	30

March

Abelia x grandiflora 'Kaleidoscope'

A fantastic dwarf variegated shrub for foliage colour. It starts off as a mix of bright yellow and green in spring and deepens during the summer. It also has autumn colour and small pink - white flowers in summer.

Size	3L
Promo size	21

Allium 'Eros'

Reaching 45cm tall, this Allium has attractive umbels of large pink-lilac flowers up to 10cm diameter in early summer. Excellent in containers.

Size	3L
Promo size	21

Allium 'Ostara'

Compact growing with deep purple red flowers that bloom throughout the summer. Set against shiny leaves that remain healthy and green throughout the flowering period.

Size	3L
Promo size	21

Anemone coronaria 'Bordeaux'

Poppy Anemone

These small delicate flowers are deep dark red, blooming throughout spring and summer. They have a compact and erect habit with fresh green divided leaves. Ideal for containers or within borders and beds.

Size	2L
Promo size	30

Ceanothus Wall Collection

California Lilac

We grow a great range of Ceanothus! Strong, well branched plants supplied on 90cm canes in bud. The collection offers a range of flower shades and leaf types to suit any palette.

Size	3L
Promo size	42

Products included in collection

Ceanothus Concha
Ceanothus El Dorado
Ceanothus Italian Skies
Ceanothus Puget Blue
Ceanothus Skylark
Ceanothus Yankee Point

Cistus Collection

Rockrose

We have selected the top selling varieties with the best colour range. Offered as over-wintered plants ideal for early stocking. A seasonal must have!

Size	3L
Promo size	21

Products included in collection

- Cistus Alan Fradd
- Cistus creticus
- Cistus purpureus
- Cistus Sunset
- Cistus Thrive

Convolvulus cneorum

Shrubby bindweed

A fantastic evergreen shrub to add some foliage variation and colour to borders and beds. With narrow oblong silvery leaves, this plant is suited to a full sun position. White funnel shaped blooms with yellow centres flower throughout spring and summer and often appear pink while in bud.

Size	3L
Promo size	21

Dianella revoluta 'Blue Stream'

Blue Flax Lily

Dianella are starting to increase in popularity, and this is a brilliant clump forming cultivar. 'Blue stream' is strong and vigorous with glaucous blue foliage making it a great companion plant. Perfect for containers, beds, and borders.

Size	3L
Promo size	21

Digitalis purpurea 'Pam's Choice'

Foxglove

Flowering throughout summer, this gorgeous foxglove has white trumpet shaped flowers with red blotches inside. Great clumping basal foliage in deep green. Ideal for beds and herbaceous borders. Supplied in the green.

Size	3L
Promo size	21

Digitalis purpurea 'Serendipity'

Foxglove

A desirable new addition to our range. 'Serendipity' is subtly different to many other foxgloves because of its unusual wavy flower form, giving it a lovely frilly graceful appearance. It is very hardy and we are sure this will be another top selling cultivar of this ever-popular cottage garden favourite.

Size	2L
Promo size	30

Exochorda racemosa 'Niagara'

Pearl Bush

Excellent for early sales. A deciduous shrub with green oval shaped leaves that come into real beauty in May. Masses of white blooms last for many weeks making this an extremely pretty addition to any garden, courtyard, bed, or container. Supplied on a 90cm cane.

Size	3L
Promo size	21

Fargesia murielae 'Luca'

Dwarf Fountain Bamboo

A wonderful addition to any garden. Reaching only 50cm in height this hardy and non-invasive bamboo makes a fantastic groundcover and perfect backdrop for any planting scheme.

Size	3L
Promo size	21

Fatsia japonica 'Spider's Web'

Japanese Aralia

A Wyevale speciality and an increasingly popular bushy evergreen shrub which looks great throughout the year. Large flat leaves are deeply lobed in mid green, with white edges appearing as if they have been dusted with icing sugar. It looks great within a courtyard setting planted with white flowers or variegations. Will suit a sheltered site in beds, borders, or containers.

Size	3L
Promo size	21

Gunnera manicata

Giant Rhubarb

A very large perennial forming a spreading clump of large rounded textured leaves with spiny stems up to 2m wide. Tiny red flowers are born up to 1m tall. Very widely spreading, suitable for full sun or partial shade. Some protection of young crowns is required throughout the winter.

Size	3L
Promo size	21

Halimium calycinum

Sun Rose

A small mound forming evergreen, with grey-green leaves and golden yellow flowers containing deeper yellow centres. Blooms throughout summer. Suitable for a range of areas as they are drought tolerant once established, such as rockeries, banks, beds, and containers.

Size	3L
Promo size	21

Hardy Fern Collection

The best range for leaf shape, texture, and form. Supplied as a good pot full of fresh foliage. Ideal for shade garden displays. Link with other shade lovers such as Hosta's and Helleborus.

Size	2L
Promo size	60

Products included in collection

- *Asplenium scolopendrium*
- *Athyrium niponicum* var. *pictum*
- *Cyrtomium fortunei*
- *Dryopteris affinis*
- *Dryopteris affinis* *Cristata* (The King)
- *Dryopteris atrata*

- *Dryopteris wallichiana*
- *Polystichum polyblepharum*
- *Polystichum setiferum*
- *Polystichum setiferum* *Herrenhausen*
- *Polystichum tsussimense*

Hardy Fern Specimen Collection

Our specimen ferns are grown in a 5 litre pot and supplied as a mass of fresh foliage, providing maximum impact and value for money. An extended range of well proven, hardy varieties featuring interesting forms and colours.

Size	5L
Promo size	30

Products included in collection

- *Asplenium scolopendrium*
- *Dryopteris affinis*
- *Dryopteris atrata*
- *Dryopteris erythrosora*
- *Polystichum polyblepharum*
- *Polystichum setiferum* Herrenhausen

Jacobinia pauciflora 'Firefly'

Brazilian Fuchsia

Flowering from late December through to early summer, 'Firefly' provides an eye-catching display for impulse sales.

An attractive, compact growing and very rounded evergreen shrub, which is dripping with tubular bi-coloured flowers, vivid orange at the base changing to bright yellow at the tip. A sun loving plant, which will bring early season colour to any garden.

Size	3L
------	----

Promo size	21
------------	----

Lewisia cotyledon 'Safira Coral'

Cliff Maids

The best of the Lewisia species. 'Safira Coral' provides the perfect complement to our new introduction Constant 'Coral', flowering from early spring to late autumn. This perennial garden plant will add a vivid splash of colour to any garden. It is ideal for patios, low growing borders, and rock gardens and very easy to look after!

Size	2L
------	----

Promo size	30
------------	----

Lomandra longifolia 'White Sands'

Spiny Headed Mat Rush

A fantastic variety with soft variegated foliage and small yellow flowers throughout the summer. Ideal low maintenance grass for containers, beds, and borders to give architectural interest and evergreen colour.

Size	3L
Promo size	21

Lupinus Westcountry Series

Lupin

The best Lupin series available. Grand flower spikes in a range of striking, vibrant colours make these a must have promotion. Supplied in the green with eye-catching bespoke picture labels.

Size	3L
Promo size	21

Products included in collection

- Lupinus Beefeater
- Lupinus King Canute
- Lupinus Manhattan Lights
- Lupinus Polar Princess
- Lupinus Rachel de Thame

NEW

Mahonia eurybracteata 'Sweet Winter'

Oregon Grape

Compact and highly scented evergreen with beautiful fine foliage and large pale yellow flower clusters which form in autumn. Unlike other varieties this Mahonia has no sharp spines. Berries in winter.

Size	3L
------	----

Promo size	21
------------	----

Olearia phlogopappa 'Spring Bling'

Daisy Bush

Aromatic, evergreen and very showy. In late spring through to summer it is smothered in small white daisy like flowers giving an amazing display. A real standout performer and new to our catalogue this year.

Size	3L
Promo size	21

Paeonia Collection

Peony

We have selected these beautiful eye-catching, double flowering varieties as they produce layers of fragrant blooms in a range of shades, which emerge in early summer. 'Shirley Temple' has glorious blushed pink blooms which offer a lovely subtle scent, 'Alexander Fleming' has wonderfully aromatic rich pink blooms and 'Kansas' flowering slightly later makes up this stunning trio with its impressive fragrant fuchsia red blooms. This really is a 'must have' collection for your plantaria.

Size	3L Deep
Promo size	30

Products included in collection

- Paeonia Alexander Fleming
- Paeonia Kansas
- Paeonia Shirley Temple

Phormium Collection

New Zealand Flax

Fabulous Flax, one of our specialities with even more varieties added to the collection for this year! We offer a fine selection of these evergreen beauties in a range of colours and forms. Use to add architectural interest and height to displays or promote on their own.

Size	3L
Promo size	42

Products included in collection

- Phormium Back In Black
- Phormium Black Velvet
- Phormium Evening Glow
- Phormium Gold Ray
- Phormium Jester
- Phormium Pink Panther
- Phormium Pink Stripe
- Phormium Platts Black
- Phormium Sundowner
- Phormium Surfer
- Phormium Yellow Wave

Polemonium 'Heaven Scent'

Jacob's Ladder

A really pretty airy plant with mound forming fern like leaves in green-purple. Blue flowers which provide lightly fragrant blooms in late spring onwards. Looks great at the front of the borders or mixed within other garden plants.

Size	3L
Promo size	21

Prunus incisa 'Kojo-No-Mai'

Fuji Cherry

A very delicate, pretty, deciduous shrub that has bare twigs which bloom in early spring with tiny white-pink flowers. The young leaves are pale green turning into a great array of autumn colours. A neat compact plant that is slow growing and has a Japanese feel so great for a contemporary garden, though also suited for a cottage garden.

Size	3L
Promo size	21

Sorbaria sorbifolia 'Sem'

False spiraea

A very tactile and interesting plant with long pinnate leaves that form a compact upright thicket. The leaflets are bright green-yellow flushed heavily with shades of pink-bronze in spring turning into red. White flowers bloom from mid to late summer giving a cloud like effect. Great for a sunny position within beds and borders, as well as mixed within more contemporary planting.

Size	3L
Promo size	21

Syringa meyeri 'Palibin'

Korean Lilac

Masses of fragrant lavender pink flowers adorn this compact and slow growing lilac. Palibin is guaranteed to attract important pollinators in to the garden and because of its habit it is perfectly suited to small gardens or even as a container plant.

Size	3L
Promo size	21

Vinca minor 'Ralph Shugert'

Lesser Periwinkle

Very large purple-blue flowers that bloom from spring right through until autumn. The leaves are deep green, margined with cream and give evergreen colour. Great as an evergreen trailing groundcover plant, over banks, beds and under tree areas.

Size	2L
Promo size	30

April

Wyevale

Agapanthus Blue Thunder

African Lily

A strong new compact variety with vibrant inky blue flowers and deep stripes to the petals. Evergreen, flowering all summer long and ideal for containers or borders.

Size	2L
Promo size	30

Agapanthus 'Charlotte'

African Lily

'Charlotte' offers large balls of star shaped flowers that are pale blue with a dark violet blue stripe down the centre for late summer. Compact growing and clump forming with broad strappy leaves.

Size	2L
Promo size	30

Exclusive to
Wyevale
 Nurseries

Agapanthus 'Ever Sapphire'

African Lily

A fantastic semi dwarf mid blue Agapanthus that starts flowering earlier than average and reblooms throughout the year with multiple flower spikes. Fast growing and drought tolerant.

Size	2L
Promo size	30

Agapanthus 'Ever White'

African Lily

The perfect partner to go with Agapanthus 'Ever Sapphire'. Earlier than average blooms that continue throughout the year with multiple flower spikes. Fast growing and drought tolerant.

Size	2L
Promo size	30

Exclusive to
Wyevale
 Nurseries

Agapanthus 'Poppin Purple'

African Lily

A fantastic evergreen Agapanthus with metallic purple buds that open into dark purple flowers on compact stems. The first repeat flowering purple Agapanthus. Reaching 60cm tall, it is ideal for containers and displaying as a bed end.

Size	2L
Promo size	30

Armeria Dreameria Collection

Thrift or Sea Pinks

We have selected four of the best varieties that produce masses of attractive flowers from early Summer to Autumn. Great for encouraging bees and butterflies into the garden and their compact habit is ideal for container planting as well as in the garden border.

Size	3L
Promo size	42

Products included in collection

- Armeria Dreameria Daydream
- Armeria Dreameria Dream Clouds
- Armeria Dreameria Dreamland
- Armeria Dreameria Sweet Dreams

Campanula glomerata Caroline

Clustered Bellflower

Suitable for banks, beds and containers, this small lilac-pink bellflower blooms throughout summer. With dark green herbaceous leaves in clusters facing upwards, it makes the ideal plant for a small corner or within rockeries.

Size	3L
Promo size	21

Choisya ternata

Mexican Orange Blossom

A great shrub for both gardens and parkland settings, this evergreen has dark green glossy leaves divided into three broad leaflets. Its flowering season is very long from spring and sometimes into winter with small, scented white flowers. Great for any full sun position and can be trimmed back as required.

Size	3L
Promo size	21

Choisya ternata 'Sundance'

Mexican Orange 'Sundance'

This medium sized shrub has a rounded mound like habit, with bright fresh yellow-green glossy leaves. Small fragrant white flowers bloom throughout summer and autumn, creating a great contrast and nice scent. Ideal plant for mixed borders, beds and also within smaller gardens.

Size	3L
Promo size	21

Choisya ternata 'Gold Star'

Mexican Orange Blossom

A wonderful new and improved golden leaved Choisya bred by Peter Catt of Liss Forest. Attractive bright golden cut leaves which are resistant to sun scorch make it a real stand out from Choisya Sundance. Offering a long selling period on garden centres it is sure to be a must have plant.

Size	3L
Promo size	21

Choisy x dewitteana 'White Dazzler'

Mexican Orange 'White Dazzler'

A smaller more compact growing shrub, with palmate dark green leaves. Flowering in early spring and again in late autumn with an abundance of small white fragrant blooms. A great dependable plant with textured foliage.

Size	3L
Promo size	21

Cordyline Lime Passion

Cabbage Palm

This new variety offers one of the brightest lime and cream variegated foliage. An excellent architectural addition to the garden or in a patio container. Prefers a sheltered location.

Size	3L
Promo size	21

Dianthus 'Pinball Wizard'

Carnation

An abundance of bright, candy pink splashes on white petals are held above the glaucous foliage. The sweet, spicy fragrance completes this perfect Pink.

Size	2L
Promo size	30

Digiplexis 'Berry Canary'

Tender Foxglove

A breakthrough crossbreed of Isoplexis and Digitalis. Tall flower spikes of vivid pink flowers with cream and burgundy speckled throats are held above a rosette of dark green foliage.

Size	3L
Promo size	21

Digiplexis 'Raspberry' (Improved)

Tender Foxglove

An improved form of Digiplexis 'Illumination Raspberry' offering a far better habit. Tall flower spikes offer a constant display of beautiful raspberry pink foxglove like flowers. A semi evergreen perennial with deep purple stems and dark green leaves.

Size	3L
Promo size	21

Geum 'Can-can'

Avens

Grab your skirt because this fabulous variety is perfectly named. Double flowers with frilly petticoat like petals in shades of warm apricot bloom from late spring into summer. Definitely the star of the show!

Size	3L
Promo size	21

Geum 'Fiery Tempest'

Avens

A very floriferous variety with bright scarlet-red blooms from April onwards and repeat flowering in autumn. Compact plants ideal for bed ends.

Size	3L
Promo size	21

Geum 'Pink Petticoats'

Avens

This variety has loads of large coral pink ruffled semi double blooms that are long lasting from May through to July. More floriferous than 'Bell Bank', making it a good eye-catching bed end.

Size	3L
Promo size	21

Geum 'Scarlet Tempest'

Avens

Incredibly floriferous and with a long flower period. The large scarlet blooms flushed with orange make this the perfect eye-catching bed end promotion.

Size	3L
Promo size	21

Hosta Collection

Plantain Lily

A contemporary collection of Hosta's, ideally suited to modern low maintenance gardens and patios. A great range of varieties supplied in the green. We specialise in exceptionally heavy overwintered plants.

Size	3L
Promo size	42

Products included in collection

- Hosta Abiqua Drinking Gourd
- Hosta fortunei aureomarginata
- Hosta Fire and Ice
- Hosta First Frost
- Hosta Frozen Margarita
- Hosta Halcyon
- Hosta June
- Hosta Patriot
- Hosta Royal Standard
- Hosta Rainforest Sunrise
- Hosta Twilight

Hydrangea macrophylla Dutch Ladies Series

The Dutch Ladies Series have deep green foliage with large headed blooms throughout summer. The blooms are made up of large, rounded clusters of white or pale pink flowers with contrasting markings. Veining is also clear on the leaves. Great for beds and borders, as well as containers, due to their compact size.

Size	3L
Promo size	42

Products included in collection

- Hydrangea macrophylla Salsa
- Hydrangea macrophylla Sandra
- Hydrangea macrophylla Selina
- Hydrangea macrophylla Sharon

Hydrangea macrophylla 'Pia'

Large pink mopheads of flowers make up over 10cm blooms and remain pink in any soil type. With dark green leaves these small, neat shrubs are suitable for smaller gardens and container due to their dwarf habit.

Size	3L
Promo size	21

Hydrangea Mophead and Lacecap Collection

Offering a great mix of lace caps and mopheads with the full colour range. Our Hydrangea crop is always strong and well branched providing plenty of flowers. Supplied in the green with bespoke picture labels.

Size	3L
Promo size	42

Products included in collection

- Hydrangea Alpengluehen
- Hydrangea Ami Pasquier
- Hydrangea Blaumeise
- Hydrangea Nympe
- Hydrangea Renate Steiniger
- Hydrangea Snow
- Hydrangea Snowball
- Hydrangea Teller Red

Lavandula angustifolia 'Hidcote'

Lavender

One of the most familiar varieties and still the favourite of many gardeners. Compact with deep blue flowers standing out against the silver foliage, what's not to like? Bees and butterflies love it too so absolutely perfect for wildlife gardeners. Every garden centre should stock this plant. It is not just useful for borders; it also makes a perfect low hedge.

Size	2L
Promo size	30

Lavandula angustifolia 'Munstead'

Lavender

A real classic standout and hardy variety with soft lilac purple flower heads and the perfect foil for Lavender Hidcote. Available from us early in the season to kick off those important sales. Ideal for borders or a low hedge to attract an abundance of wildlife.

Size	2L
Promo size	30

Lavandula angustifolia 'Vera'

Lavender

This variety is often described as the true English Lavender. Perfect to recommend as a slightly taller hedge or border shrub and its dark blue long slender flower spikes are a magnet for pollinators. Customers wishing to pick the blooms for displaying inside their house cannot go wrong with this classy variety.

Size	2L
Promo size	30

Lavandula stoechas 'Lilac Wings'

French Lavender

The most compact and neat of the 'butterfly' Lavender. Purple flowers combined with lilac bracts, this plant is available early season and offered in addition to our flowering crops which come online later in the season. Sure to enhance any garden centre offer and another variety selected by us to encourage hungry bees and butterflies to the garden.

Size	2L
Promo size	30

Lavandula x intermedia 'Grosso'

Exceptionally large deep blueish purple flower heads and probably the strongest fragrance of all our lavender varieties. Hardy and easy to grow and the perfect recommendation to edge pathways or to attract a mass of bees and butterflies to the garden.

Size	2L
Promo size	30

Lewisia Constant™ 'Coral'

Cliffs Maids

Glorious coral pink flowers with cream edges are produced in abundance from spring to autumn. Will impress all with its ability to rebloom time and time again. Easy to grow and suitable for dry conditions it is the perfect plant to recommend to both experienced and not so experienced gardeners.

Size	2L
Promo size	30

Lobelia x speciosa 'Starship Blue'

Cardinal Flower

We have lift off! After impressive sales we have now elevated this plant into our full catalogue. It provides a real wow in the garden with fantastic intense blue butterfly shaped blooms that are attractive to bees and butterflies. Supplied in the green for extended sales.

Size	3L
Promo size	21

Lobelia x speciosa 'Starship Burgundy'

Cardinal Flower

The perfect complement to 'Starship Blue'. Fiery deep red blooms. The 'Starships' are perfect to recommend for summer patio planters and are the ideal recommendation for those difficult damp areas in gardens. Supplied in the green for extended sales.

Size	3L
Promo size	21

Lomandra 'Artic Frost'

Spiny-head mat rush

Attractive graceful evergreen with narrow leaves and contrasting white edges. Growing around 1m tall this lovely grass will provide colour and structure to any garden.

Size	3L
Promo size	21

Lupin 'Purple Emperor'

Lupin

One of the most familiar varieties and still the favourite of many gardeners. Compact with deep blue flowers standing out against the silver foliage, what's not to like? Bees and butterflies love it too so absolutely perfect for wildlife gardeners. Every garden centre should stock this plant. It is not just useful for borders, it also makes a perfect low hedge.

Size	5L
Promo size	15

Parahebe catarractae 'Avalanche'

Parahebe

A compact evergreen with toothed dark green leaves that make a neat clump. Saucer shaped white flowers bloom throughout summer with a pretty pink colour around the centre. A really pretty plant for containers or near the front of beds and borders, where the flower colour can be appreciated.

Size	3L
Promo size	21

Salvia nemorosa Sallyrosa™ 'April Night'

Meadow Sage

An April flowering Salvia! 'April Night' offers a huge amount of early flower power on chunky plants to create a very impulsive display.

Size	3L
Promo size	21

Sambucus nigra 'Black Lace'

Black Elder

A more compact growing variety, so great for smaller gardens, with deep purple-black foliage. Pale pink clusters of flowers bloom in the early summer, followed by deep black berries in autumn. Ideal for foliage contrast in beds, borders and looks great in a contemporary setting.

Size	3L
Promo size	21

Syringa Bloomerang 'Dark Purple'

Lilac

A compact growing and repeat blooming Syringa. Highly fragrant dark purple flowers are produced in spring and again in mid-summer to autumn. Attractive to butterflies.

Size	3L
Promo size	21

Syringa Bloomerang 'Pink Perfume'

Lilac

A compact growing and repeat blooming Syringa. Highly fragrant pink flowers are produced in spring and again in mid-summer to autumn. Attractive to butterflies.

Size	3L
Promo size	21

Veronica gentianoides 'Tissington White'

Gentian Speedwell

Slender compact flower stems of white with blue edges that bloom in summer. Mats of deep green leaves reaching a spread of 30cm make a neat, compact plant. Great for containers, as well as near the front of borders. We grow these in a 3 litre pot to maximise the display of flowers.

Size	3L
Promo size	21

Weigela 'Ebony and Ivory'

An unusual Weigela with deep green foliage that gradually takes on a purple tinge. Masses of small white flowers that bloom in the summer with lots of scent.

Size	3L
Promo size	21

Yucca gloriosa 'Bright Star'

Spanish Dagger

Beautifully variegated evergreen with striking yellow and green swords and as the temperature falls in autumn and in early spring the edges of the leaves take on a rich pink hue. Impressive statuesque plant in border or container.

Size	3L
Promo size	21

May

Wyevale

Abelia 'Edward Goucher'

Award winning plant, this semi evergreen is a compact grower with delightful arching stems covered with clusters of pale pink flowers that last well into autumn. Perfect in any border, as a container plant or even as an informal hedge.

Size	3L
Promo size	21

Acanthus 'Whitewater'

Bear's Breech

This fully hardy statuesque perennial has large attractive deep-cut cream and rich green foliage and will produce upright pollen rich flower spikes in the Summer. Preferring full sun or partial shade and offering structural interest it's a bold showy addition to the garden!

Size	3L
Promo size	21

Agapanthus 'Fireworks'

African Lily

Award Winner! A beautiful Agapanthus with glorious bi-colour blue and white blooms that explode into life. The umbels are supersize and densely packed with trumpet shaped flowers.

Size	2L
Promo size	30

Agapanthus 'Pitchoune Blue'

African Lily

This variety packs real flower power because although compact, the exotic sky-blue trumpet shaped flowers are formed in umbels of full size and similar to those you would see on a more larger Agapanthus variety. This little blue gem is evergreen but does need a little protection over the coldest winters.

Size	2L
Promo size	30

NEW

Agapanthus 'Purple Cloud'

African Lily

We have selected Purple Cloud as a new introduction to our catalogue for this year because of its rich deep violet-purple flower colour which is much darker than many of the other varieties in our range. A compact grower and suitable for any sunny border or container.

Size	2L
Promo size	30

Allium 'Lavender Bubbles'

This wonderful new introduction and winner of the best New Plant at 2021's virtual National Plant Show. So called because it has masses of dusky purple flowers that appear to float like bubbles over its lush, glaucous evergreen foliage. Incredibly long flowering period which will provide colour to the garden throughout summer. Loved by bees and butterflies and performs well in garden or container. Sure to be a fantastic seller for 2023.

Size	3L
Promo size	21

Alstroemeria 'Little Miss'

Peruvian Lily

Compact growing and prolific flowering, these dwarf Alstroemeria are a must have! The mounds of foliage are absolutely smothered in beautiful delicate flowers in shades of pink, white and orange/red with intricate markings. Stunning when planted in containers and a great range of colours.

Size	3L
Promo size	42

Products included in collection

- Alstroemeria Little Miss Christina
- Alstroemeria Little Miss Davina
- Alstroemeria Little Miss Rosalind
- Alstroemeria Little Miss Sophie
- Alstroemeria Little Miss Tara

Alstroemeria 'Little Miss Zoe'

Peruvian Lily

'Little Miss Zoe' is such a stunner we had to pull her out of the range. Bright cream and green variegation contrasts with deep pinky red flowers to create a very eye-catching display. Compact growing and producing a small dome of foliage with a mass of flowers held just above the foliage. A must have for your plantaria!

Size	3L
Promo size	21

Anemone 'Wild Swan'

Windflower

Ideal to add some colour to a shady corner, this more compact variety has white flowers, with a distinctive grey-blue streak to the back of each petal. Flowering intermittently throughout May to November, its long blooming season and deep green foliage provide a great plant to add to any border. Chelsea award winner.

Size	3L
Promo size	21

Astilbe 'Chocolate Shogun'

False Goat's Beard

Drama in a pot with an abundance of stunning pinkish-white flower spikes flashing against lush chocolate coloured serrated foliage. Makes a perfect eye-catching bed end display especially combined with our golden leaved companion plants like Heuchera Lime Marmalade. Destined to be a favourite with your customers.

Size	2L
Promo size	30

Astilbe 'Key West'

False Goat's Beard

This dwarf Astilbe is mound forming and compact. The dissected lobed foliage emerges bright green but will take on a deep red hue.

This perfectly complements the triangular blooms of brilliant raspberry pink spikes. Will flower from mid-summer and is suitable for planting in both containers and borders.

Size	2L
Promo size	30

Astrantia Star Collection

Hatties Pincushion

Flowering from late spring into summer, these traditional cottage garden favourites are excellent for cut flowers. Star of Beauty features large clusters of tiny white flowers with magenta-purple tips, crowded together in a dome shaped flower, just like the pins on a cushion. Star of Billions has large dense pincushion flowers which open pale green, slowly turning to blush pink.

Size	3L
Promo size	21

Products included in collection

Astrantia Star of Billions
Astrantia Star of Beauty

Campanula persicifolia 'Blue Bloomers'

Peach Leaved Bellflower

This deciduous perennial has narrow green leaves and violet blue double flowers throughout summer. Although spreading this plant has a clump forming and erect habit suitable for herbaceous areas, rockeries, and containers.

Size	3L
Promo size	21

Clematis Little Lemons

Little Lemons is a busy dwarf clematis with lemon yellow blooms that cloak this compact plant throughout summer. As the flowers age they are replaced by fluffy seed heads offering a display of interesting texture.

Size	3L
Promo size	21

Cordyline australis 'Torbay Dazzler'

Cabbage Palm

This particularly lovely decorative evergreen palm, bears sword-shaped leaves with green and cream stripes. It's low maintenance habit makes it perfect for growing in pots or as part of a mixed herbaceous border.

Size	3L
Promo size	21

Cordyline Southern Splendour

Cabbage Palm

A great shrub with narrow evergreen leaves in a fantastic deep green with pink margins and fine stripes. Great for planting in pots or borders and a must have for any plantaria!

Size	3L
Promo size	21

Dahlia 'Bishop of Llandaff'

Surely everyone has heard of this Dahlia, and it remains one of our most popular varieties. Deep red semi double blooms, with deep blackish red foliage make this Dahlia very contrasting and striking. Reaching up to 1m in height, it is useful to add contrast and height to the back of any border.

Size	3L
Promo size	21

Digitalis 'Lucas'

Foxglove

A beautiful variety with long lasting mid pink flowers throughout summer. A tall and strong grower that makes the perfect bed end, as well as being attractive to bees and butterflies.

Size	3L
Promo size	21

Digitalis x valinii 'Ruby Glow'

Foxglove

A bold coloured Digitalis with long lasting summer blooms. The foliage is deep green and compact with raspberry flowers and orange spotted throats. Ideal for beds, borders, and containers.

Size	3L
Promo size	21

Escallonia laevis 'Pink Elle'

This fantastic Escallonia produces massive heads of flowers in abundance throughout summer in a lovely mid pink, all held at the end of the stems. 'Pink Elle' reaches an ultimate height of 1m, so is great for smaller gardens as it forms a neat compact plant. Evergreen foliage which is rich and glossy provides a contrast to the flowers. Great for containers as well as beds, borders and planted en masse in larger parkland settings.

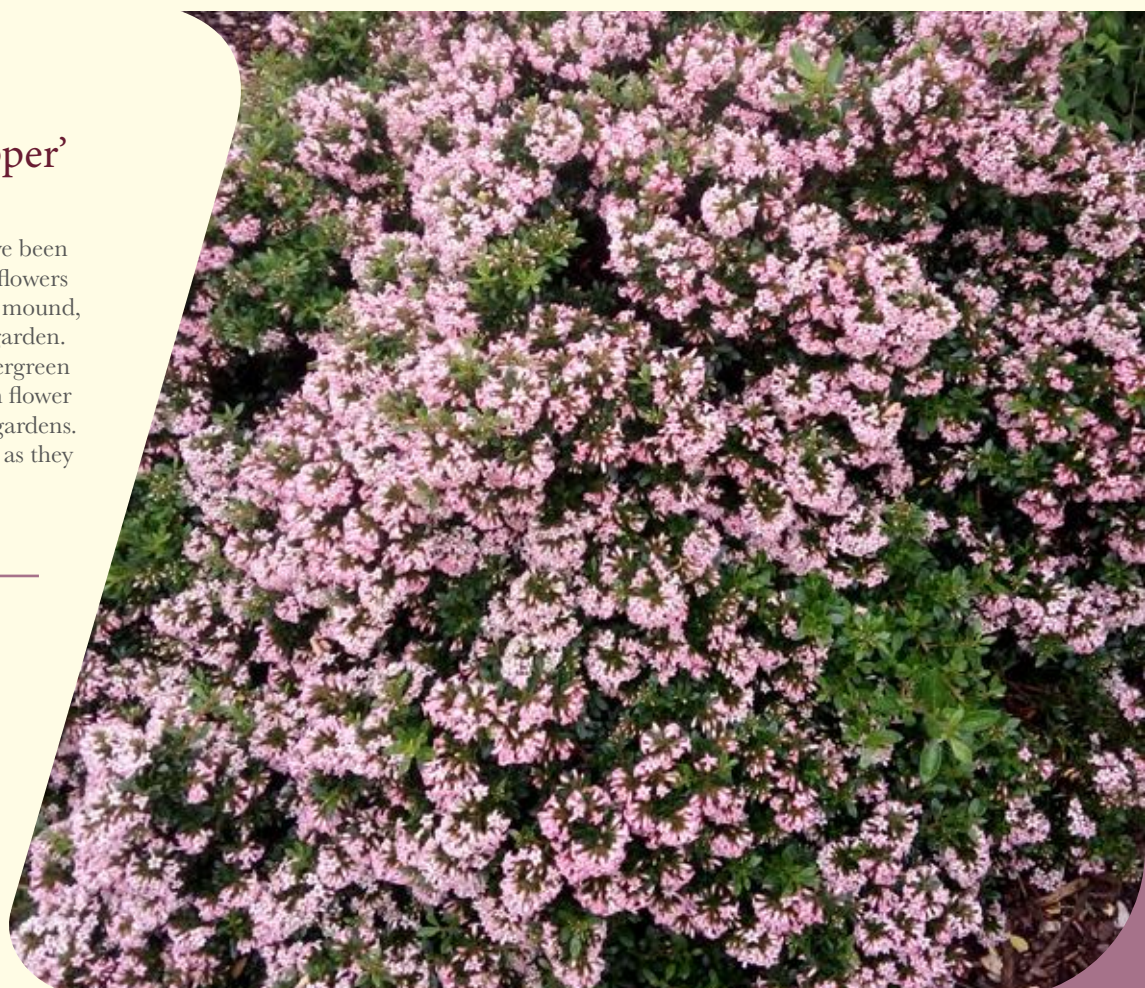

Size	3L
Promo size	21

Escallonia 'Show Stopper'

This new introduction could not have been more aptly named. Large light pink flowers with darker edges form on a compact mound, producing a dome of colour in the garden. Your customers will love this new evergreen 'Show Stopper' which offers so much flower power and can be grown in all sized gardens. Make sure you book your promotion as they are sure to fly.

Size	3L
Promo size	21

Eucalyptus gunnii Azura

Cider Gum

With lush silver-grey aromatic foliage this variety is a real gem. Hardier and bushier than many other Eucalyptus it is the perfect plant for small gardens. Providing the perfect back drop for many contrasting plants in the garden as well as providing drama and colour to flower arrangements.

Size	3L
Promo size	21

Fuchsia 'Chilli Red'

'Chilli Red' has bright red flowers that, as the name suggests, looks very much like a chilli plant. Adding season long colour to your beds and borders, this stunning plant makes the perfect bed end.

Size	2L
Promo size	30

Geranium 'Kelly-Anne'

This stunning new variety features flower power to rival that of 'Rozanne'! With a long flowering period from late spring to first frost, the large bright pink flowers with white centres are a beautiful addition to a sunny spot.

Size	3L
Promo size	21

Geranium Rozanne

Crane's Bill

A vigorously growing variety, which spreads to create groundcover. The neat bushy foliage contrasts with deep blue-purple and white centred flowers up to 5cm across throughout summer and into autumn. Great for a wide range of uses, with ground cover over banks and within herbaceous borders. Voted as 'Plant of the Centenary' in celebration of the RHS Chelsea Flower Show's 100th Anniversary.

Size	3L
Promo size	21

Houttuynia cordata 'Pied Piper'

Harlequin Plant

A truly vibrant addition to the garden with heart shaped leaves covered in irregular patterns of pink, red and yellow variegation. An excellent and unusual ground cover ideal for moist areas of the garden or near to pond edges.

Size	3L
Promo size	21

Hydrangea macrophylla 'Wedding Gown'

Unusually, the flowers open as a lace cap and then fill out as a mophead. Large double pure white blooms on a dwarf, compact growing plant. Will flower from spring through to autumn. Absolutely beautiful!

Size	5L
Promo size	15

Hydrangea French Bolero Blue

A lovely contrast to its pink sister and just as floriferous. The flower heads start cream and turn blue as the flower ages. Compact and perfect for borders or container planting.

Size	5L
Promo size	15

Hydrangea French Bolero Pink

New this year and a real spectacular addition to our range. Offering an abundance of soft pink flowers which are carried along the full-length of the Hydrangea branches and not just the tips. Compact grower.

Size	5L
Promo size	15

Hydrangea macrophylla 'Zorro'

Large blue-purple lace cap flowers bloom throughout summer, giving a great display of colour if grown on acidic soils. Great for planting within beds and borders, where the deep green foliage and dark black stems look good when the plant is not in flower.

Size	3L
Promo size	21

Nepeta faassenii 'Purrsian Blue'

Catmint

A compact variety with deep violet-blue flowers in late spring and through summer. Mint scented foliage gives fragrance whilst staying compact. At 30cm tall, this is an ideal plant for patio containers or borders.

Size	3L
Promo size	21

Osteospermum 'Tresco Purple'

African Daisy

A great ground cover plant that has deep green foliage and is ideal for suppressing weeds. Large purple blooms reach 5cm in diameter and flower throughout summer and into autumn. Great for containers, beds, and borders, as well as banks that need some groundcover.

Size	3L
Promo size	21

Perovskia 'Blue Spire'

Russian Sage

A must have for any garden. Identified by the RHS as Perfect for Pollinators with spikes of violet blue flowers appearing on stems above delightful aromatic silvery foliage. Perovskia Blue Spire is fully hardy and easy to grow, perfect for any sunny garden making excellent summer companion plants for an array of colourful perennials. Excellent for cut flowers too.

Size	3L
Promo size	21

Pittosporum tenuifolium 'Bannow Bay'

A compact well branched mound forming shrub with colour changing foliage. Starting off light green with a cream edge and changing in autumn to a mottled green and burgundy effect moving to a deeper burgundy after frost.

Size	3L
Promo size	21

Potentilla Double Punch Collection

A fantastic collection of breakthrough double flowering Potentilla in a strong colour range. Forming a neat and compact mound, these make ideal container shrubs and are also suitable for beds and borders.

Products included in collection

- Potentilla Double Punch Cream
- Potentilla Double Punch Gold
- Potentilla Double Punch Pastel
- Potentilla Double Punch Peach

Size	3L
Promo size	21

Rodgersia 'Bronze Peacock'

The darkest foliage of any Rodgersia, this choice plant produces stunning pink flowers in spring against huge bronze leaves that fan like a peacock's tail.

Size	3L
Promo size	21

Rosmarinus officinalis 'Miss Jessopp's Upright'

Rosemary

Every garden deserves at least one rosemary and Miss Jessopp's Upright is one of the best with a very upright habit and fantastic aromatic foliage holding masses of light blue flowers. Great in the garden and essential in the kitchen so this wonderful evergreen is the perfect plant. A magnet for wildlife and will make a very neat, aromatic hedge so a winner all round!

Size	3L
Promo size	21

Salvia 'Love and Wishes'

Sage

The best performer of the 'Wish' Salvia series. Rich purple flowers with deep burgundy calyxes, dark green foliage and dark stems combine superbly to create a stunning plant. In the garden, it has a very long flowering time from June through to November and is a terrific potted specimen.

Size	3L
Promo size	21

Salvia nemorosa Caradonna Pink Inspiration

Balkan Clary

A wonderful new pink form of this top selling Wyevale favourite. Masses of pale pink flowers against dramatic upright deep purple stems are produced over many months, giving great value for your customers. Easy to grow in borders or containers and will reflower again and again making it a magnet for all pollinating insects throughout the summer.

Size	3L
Promo size	21

Salvia nemorosa 'Rose Marvel'

Sage

A stunning variety with very large rose-pink flowers that bloom throughout the summer. Suitable for beds and containers.

Size	3L
Promo size	21

Ornamental Sage

Intense clear blue flowers and a compact bushy habit makes this Salvia simply stunning! Flowering from summer through to autumn and suitable for borders and containers.

Size	3L
Promo size	21

Senecio candicans Angel Wings

Extra-large silky and silver-white coloured leaves provide a dramatic impact for this easy to grow plant. A fantastic variety and easily combined with other plants.

Size	3L
Promo size	21

Veronica spicata 'Pink Passion'

A wonderful Veronica bred locally to us in Worcestershire! It is very compact, keeps exceptionally clean foliage and produces an abundance of vivid pink spikes of colour throughout the summer. Making a wonderful pot plant, offering a highly impulsive product that is perfect for the modern garden.

Size	2L
Promo size	30

Weigela All Summer Red

A compact growing mound of dark green foliage produces intense red, funnel-shaped flowers in mid-spring. The flower colour intensifies through the summer and lasts until mid-autumn. Perfect for planting in pots.

Size	3L
Promo size	21

Weigela florida All Summer Monet

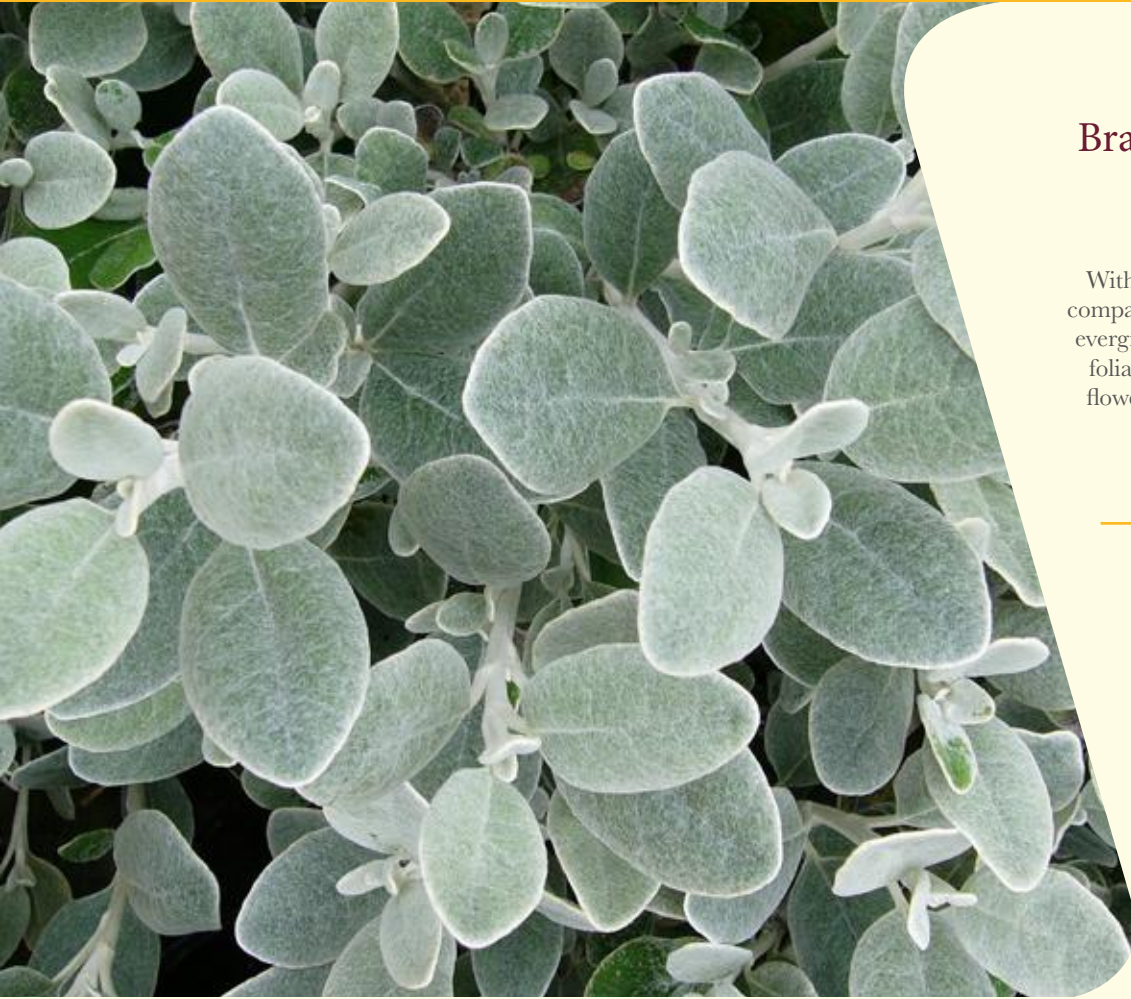

Added to our catalogue this year to complement our superb Weigela All Summer range. Compact and mound forming with stunning pink flushed cream foliage make this a real stand out selection. Offering an extended sales period with firstly a kaleidoscope of foliage colour then followed by masses of pink-purple tubular flowers in summer. Weigela is an increasingly popular summer flowering shrub and 'All Summer Monet' is the perfect plant to recommend to your customers to bring prolonged colour to any small or large gardens.

Size	3L
Promo size	21

June

Brachyglottis Walberton's Silver Dormouse

With a dense, bushy habit this sun-loving compact shrub provides attractive silver-grey evergreen foliage all year round. The felted foliage is complimented by bright yellow flowers from summer into autumn and is excellent for coastal planting.

Size	3L
Promo size	21

Coprosma 'Eclipse'

Looking Glass Plant

Truly gorgeous evergreen shrub with glossy leaves of vibrant red and green. This is a real eye-catching addition to the garden and will add colour and interest over an exceptionally long period.

Size	3L
Promo size	21

Cordyline banksii 'Electric Pink'

Cabbage Palm

Outrageously bright! Shocking electric pink edges with darker red markings up the centres of the leaves. A stunning variety, bound to tempt impulse buys. Ideal for container planting or as single specimens.

Size	3L
Promo size	21

Cornus alba Miracle

Dogwood

We love the changing foliage colour of this new pink flowering variety. Starting with green and white variegated foliage in the Spring the leaves develop an attractive pink border before deepening to an intense purple-pink colour in the Autumn. Red stems are then revealed in the Winter.

Size	3L
Promo size	21

Dahlia Candy Series

A sweet treat for your customers! Three beautiful collarette Dahlias in complimentary colour tones. Show stopping flowers on compact growing, dark green foliage.

Size	3L
Promo size	42

Products included in collection

- Dahlia Lemon Sherbet
- Dahlia Rhubarb and Custard
- Dahlia Strawberry Bon Bon

Dahlia 'Evanah'

This luxurious decorative Dahlia provides a dreamy combination of lilac-pink, white tipped blooms that make great cut flowers. A standout architectural addition to the garden that flowers from summer to the first frosts.

Size	3L
Promo size	21

Dahlia 'Totally Tangerine'

A stunning Dahlia with bright orange pink blooms that flower from July onwards. A must have for your plantaria!

Size	3L
Promo size	21

A beautiful compact variety with white flowers and bright yellow centres. Attractive to bees and insects.

Size	3L
Promo size	21

Dryopteris wallichiana Jurassic Gold

Alpine wood fern

Jurassic Gold has fast become one of our most popular fern varieties. Retaining that Dryopteris ruggedness, this fern erupts with golden new foliage in the Spring. A must have in any garden! Shade and moisture tolerant, this hardy fern will grow well in a patio pot or planted in groups for a striking gold contrast.

Size	3L
Promo size	21

Echinacea purpurea 'Sensation Pink'

Coneflower

Fantastic eye-catching hot magenta-pink flowers that lighten to lavender pink with age. Ideal for spaces of all sizes with a compact and neat habit.

Size	3L
Promo size	21

Echinacea Sunseeker Red

Coneflower

Upright, free flowering, with a compact habit. A great flower count makes this a perfect container or border plant. The early blooming, large, red flowers rebloom all summer and make an amazing display.

Size	3L
Promo size	21

Echinacea 'White Meditation'

Coneflower

The best free flowering white multi-stemmed variety that proves irresistible to bees and butterflies. Upright and compact growing.

Size	3L
Promo size	21

Erigeron karvinskianus 'Sea Of Blossom'

Australian Daisy

Soft, cloud like flowers make this daisy ideal for the nooks and crannies. It also self-sows and flowers for nine months of the year. It just keeps going! Evergreen foliage makes this ideal for pots, beds, and borders, amongst walls and other small areas.

Size	2L
Promo size	30

Eryngium planum Magical Blue Lagoon

Sea Holly

A glamorous, large-flowering sea holly that produces teasel like flowerheads which develop from green-grey through to shades of intense blue. Preferring well drained soil and sunny areas, this stunning addition will flower from July to September and is loved by pollinators.

Size	3L
Promo size	21

Hydrangea arborescens Candybell Bubblegum

Hydrangea Bubblegum is so called because of its lovely bubble-gum pink flower colour. Closely related to the superb Hydrangea Annabelle this new variety has the same enormous domed flower heads on strong stems that do not flop and so are ideal for flower arrangements.

Size	3L
Promo size	21

Hydrangea arborescens Candybell Marshmallow

Hydrangea Marshmallow is a very unusual pale salmon pink. Like Bubblegum it has large, rounded flower heads and both varieties will light up the garden in late summer and autumn when they also display eye-catching autumn foliage colour.

Size	3L
Promo size	21

Hydrangea macrophylla 'Runaway Bride'

Rose

This previous winner of one of the best plants at the Chelsea Flower Show has masses of white lace cap flowers with a hint of pale pink. With up to six times the number of flowers when compared with other Hydrangeas.

Size	6L
Promo size	15
