2025 SUPPLEMENTARY CATALOGUE

Bergenia Diamond Drops

A lovely dwarf variety with compact flower heads of brilliant white flowers, which shimmer above the glossy deep green foliage. Low growing, evergreen and suitable for shady borders, woodland planting, perennial borders, or container gardens.

Bergenia Dragonfly Angel Kiss

This stunning variety has snow white flowers emerging in early spring, turning to light pink as they mature. It offers year-round interest with dark reddish foliage that intensifies in cold weather. Drought tolerant and very easy to maintain, ideal for any perennial border.

Bergenia Dragonfly Sakura

Lovely compact form with semi double, pink bell shaped flowers that emerge on red stems in spring. Leaves turn purple red in autumn for superb late colour. Very hard and easy to maintain.

Bergenia Fire And Ice

A handsome, bold, architectural Bergenia, perfect for your shady spots. Pink-tinged white flowers with dark pink sepals are held in clusters above rosettes of evergreen foliage each spring. Bergenia are also known as pigsqueak because of the sound you get when you rub two leaves together.

Bergenia Vintage Rose

Vivid bright pink flowers with deep red stalks appearing in spring and often again in autumn. Foliage turns dark burgundy in autumn and winter. Perfect for a shady, woodland garden.

March

Allium hollandicum Purple Sensation

One of the most majestic of all Alliums with spectacular large rose violet globes appearing on strong elegant stems. They look fantastic in pots or planted in waves through an herbaceous border.

Size: 3L | Promo size: 21

Dianella tasmanica Wyeena

A stunning variety with variegated upright but arching foliage. The long leaves are dark green with creamy-white margins and turn red in winter. Flowers are small, star-shaped blue with yellow stamens and are replaced by small purple berries. Ideal for mass planting, as a feature plant or pit containers.

Size: 3L | Promo size: 21

Iberis Pink Ice

Lovely pink flowers with raspberry centres form against attractive compact evergreen foliage. Perfect for the front of a border or to edge a garden path. Loved by butterflies and bees so a great addition to the garden.

Size: 3L | Promo size: 21

Lewisia Safira Sensation

New to the market and a real garden showstopper, with spectacular flushes of coral and cream bicoloured flowers in spring, often repeat flowering through to autumn. We grow these beauties in a 2L pot for greater impact.

Size: 2L | Promo size: 30

Lewisia Safira Tropic Pink

Another new to the market variety showing masses of subtle soft pink and cream bicoloured flowers in spring and repeating throughout the year. Perfect for planting in containers and small spaces.

Size: 2L | Promo size: 30

April

Agapanthus inapertus Cloud Burst

Stunning variety with large pure white flowers that display a pink tinged edge as the flowers age. This superb semi-evergreen is free flowering from early summer to autumn.

Size: 2L | Promo size: 30

Agapanthus Snow Crystal

Producing large heads of impressive white trumpets appearing in late summer on tall stems. Evergreen and perfect for containers or herbaceous borders.

Size: 2L | Promo size: 30

Euphorbia Minors Merlot

Stunning rich dark burgundy foliage with contrasting lime-yellow blooms. Flowers from June to September so extra long sales appeal. Ideal in full sun or partial shade this is one Euphorbia you must have on your plantaria.

Size: 3L | Promo size: 21

Lavatera x clementii Mary Hope

Summer colour is guaranteed with this compact semi-evergreen shrub. Producing masses of white saucer shaped blooms that have a contrasting violet centre from summer through to autumn. This easy to maintain plant is perfect for any garden and benefits from hard pruning.

Size: 3L | Promo size: 21

April

Lavatera x clementii Ruby Star

Ruby Star could not be a better description for this variety! The clusters of cerise pink, veined flowers make this plant a summer gem. Excellent for cut flowers and a magnet for wildlife.

Size: 3L | Promo size: 21

Physocarpus Panther

Rich dark purple serrated leaves with clusters of pink flowers in summer. Panther is a more compact form and ideal for smaller gardens, bringing colour late in the season as the foliage colour tints to purple and orange. Perfect for use in cut flower arrangements.

Size: 3L | Promo size: 21

Sambucus nigra Laced Up

Dramatic black foliage with light pink, lemon scented flowers in early spring. With a narrow columnar habit this variety is the Sambucus to recommend for the smaller garden.

Size: 3L | Promo size: 21

Vinca minor alba Gertrude Jekyll

The best pure white Vinca and one that every garden centre should offer. Named in tribute to the great gardener's famous white garden this super plant blooms from April to September. One of the more compact cultivars, producing a neat carpet which makes it ideal for ground cover even in smaller gardens.

Size: 3L | Promo size: 21

Beschneria yuccoides Desert Glow

Architectural and exotic, similar to Yucca but has softer foliage. Rich green foliage edged with a cream margin. Perfect in full sun and makes a super container specimen.

Size: 3L | Promo size: 21

Beschneria yuccoides Flamingo Glow

This exotic beauty has yellow and green strappy foliage. Wonderful and something a little different, as it matures it produces a deep pink flower spike which gives this plant its name.

Size: 3L | Promo size: 21

Osteospermum Tresco Purple

A great ground cover plant that has deep green foliage and is ideal for suppressing weeds. Large purple blooms reach 5cm in diameter and flower throughout summer and into autumn. Great for containers, beds, and borders, as well as banks that need some groundcover.

Size: 2L | Promo size: 30

May

Penstemon digitalis Pocahontas

Impressive clusters of lavender pink tubular flowers on dark red stems, forming from April to June. With lovely burgundy foliage this is an excellent herbaceous addition with long sales appeal. A magnet for pollinators.

Size: 3L | Promo size: 21

New

Perovskia Prime Time

Flowering earlier than Blue Spire this lovely plant bears dusky purple calyxes that open to a sea of violet blue flowers. A must for any garden border this lovely aromatic plant attracts bees and other pollinators to the garden.

Size: 3L | Promo size: 21

Rosmarinus officinalis Green Ginger

As the name suggests the rosemary has a ginger scent to the leaves and can be used as a culinary herb. Growing up to 90cm in height and spread it prefers a full sun position in the garden.

Size: 3L | Promo size: 21

Coprosma Pina Colada

Super glossy, golden yellow leaves turning to orange red in colder weather. Perfect to plant where the full sun can reflect on the kaleidoscope of colourful foliage, it can also bring light to any shady spot. Drought and salt spray tolerant so great for coastal areas too.

Size: 3L | Promo size: 21

Panicum Hot Rod

A beautiful compact grass producing blue green leaves that turn to deep burgundy red throughout summer. Selected for its performance and reliability this variety is perfect for late summer interest.

Size: 3L | Promo size: 2L
